

PR 4477

For Immediate Release

14 June 2011

Sent on behalf of the Multi-agency Strategic
Co-ordinating Group for Appleby Horse Fair

Appleby Fair feedback wanted as public meetings are organised

The feedback process following the 2011 Appleby Horse Fair is well underway and a series of meetings have been organised as an opportunity for local people to report their experience of how the arrangements have worked this year.

Drop-in sessions and meetings are taking place at the following locations this month:

- Tuesday 14th June - Sedbergh Peoples Hall - Drop-in session from 5pm to 7pm
- Monday 20th June - Appleby Public Hall - Drop-in session from 4pm to 5pm and then a public meeting from 7pm to 9pm.

Whether you're a local resident, Gypsy or Traveller or a visitor, the Multi-agency Strategic Co-ordination Group (MASCG) would like your feedback. Visit the official fair website www.applebyfair.org to download a form. You can then either print off and post it back to the freepost address provided or email it back to brian.morris@cumbriacc.gov.uk.

For the last three years evaluation reports - also available on www.applebyfair.org - have been published and these meetings and drop-in sessions offer the public the opportunity to take part in that process and help improve the arrangements for next year.
