

## **Information on temporary stopping places – Great Asby**

**Please refer to the maps on pages 2 and 3 for details of the restricted areas on each of the village greens**

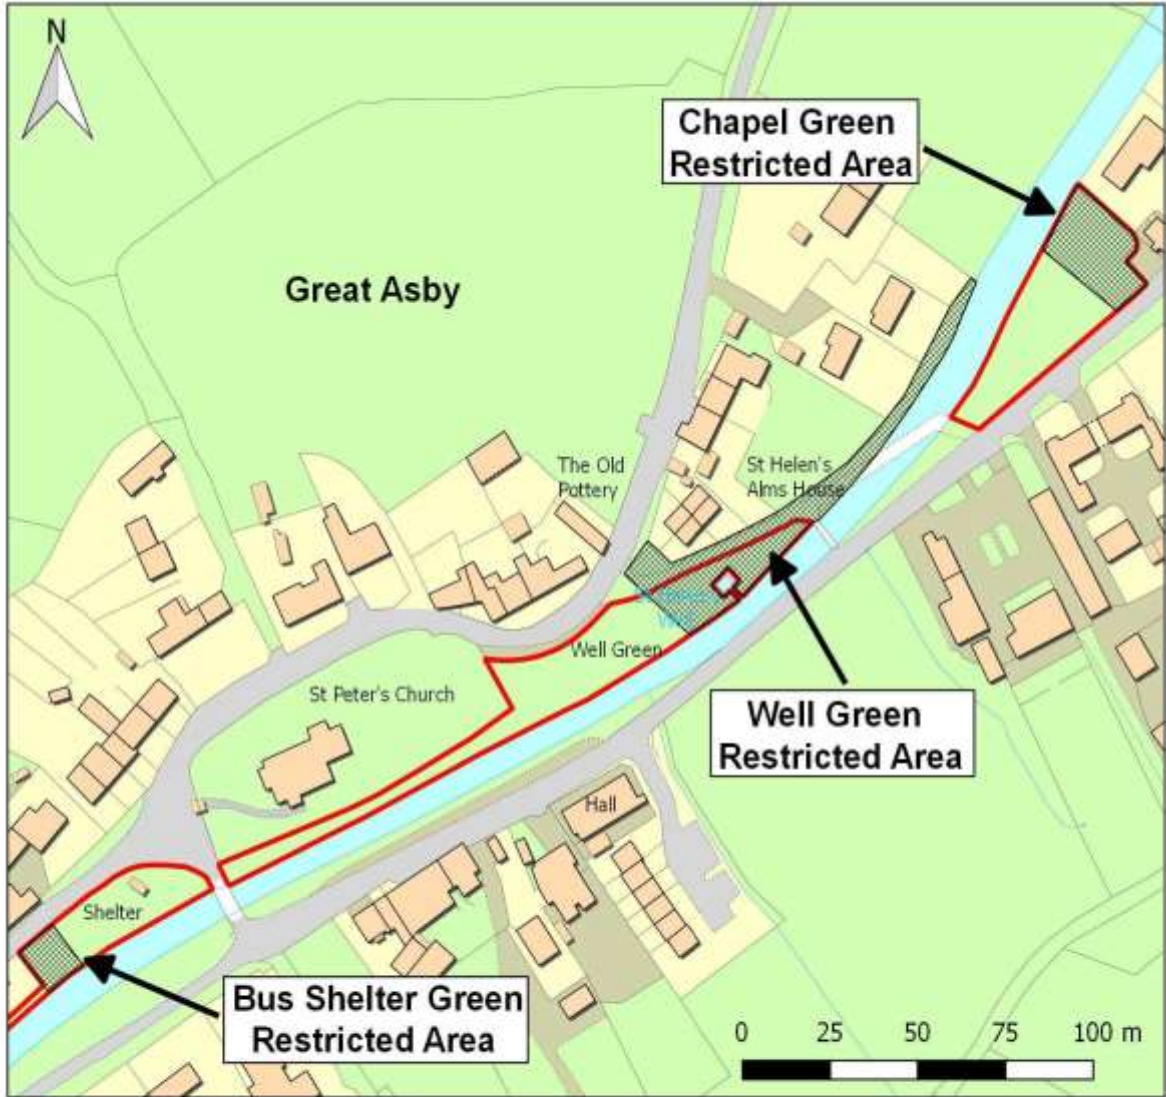

Great Asby village greens will be available to those travelling to Appleby Fair to stay on their way to and from the Fair, however, there are limits set as regards the areas and dates of use which must be adhered to.

In response to problems encountered in previous years, when there was some unacceptable behaviour, certain restrictions are necessary. This has resulted in some areas of the village greens being unavailable for caravans or other vehicles, however, these areas are still available for horse grazing. Please refer to the attached maps for further information.

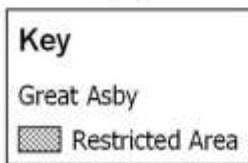

Please do not arrive before Tuesday 5 June 2018. Toilets and rubbish collection will be provided.

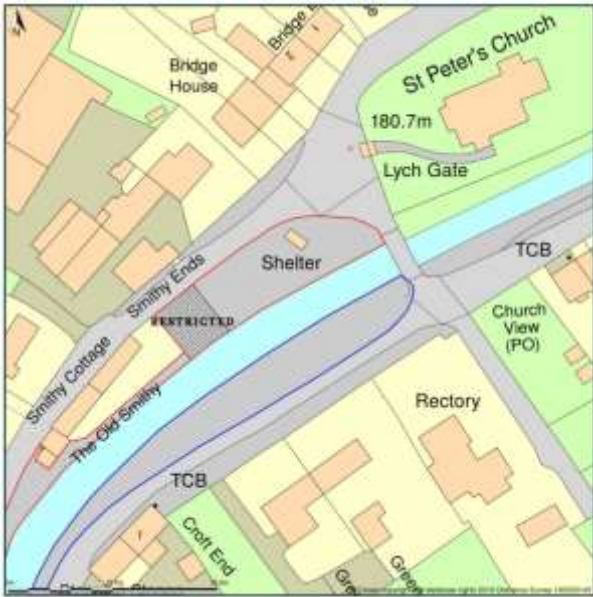

Please respect the facilities provided and the land provided by the village. Please note that this land is privately owned and you do not have a legal right to be on this land. Failure to behave responsibly and to respect others property may lead to this land being unavailable in the future.

**Childrens' Play area** – Please respect the area occupied by the childrens' play equipment and do not tether horses within this area.
