

Powis Lane –A66 to Long Marton

Although not advertised as a tolerated stopping place in recent years Private fields have been used in this area. Please note that the private fields along Powis lane used over the last three years are not available in 2018. Please do not make any unauthorised use of this land. There is only limited verge parking available in this area in 2018, there are no private fields available. Gypsies and Travellers who have previously made use of these fields as a stopping place are asked to make alternative arrangements.
